

## DH3628DCW2Z

### Cordless SDS-plus Rotary Hammer Drill

36V

4966376405749

**NEW**  
BRUSHLESS  
RFC  
UVP  
LVH  
LED  
LEVEL

**NEW**

High performance: 3.2 J to drill up to 28 mm in concrete

User protection features

Compatible with Cyclon Dust Extraction Unit

Batteries not included

#### Specifications

Voltage		36V
Capacity	Concrete	28 mm
	Steel	13 mm
	Wood	32 mm
Impact energy		3.2 J
Full-load impact rate	Low	0 - 3,170 bpm
	Normal	0 - 4,300 bpm
No-load rotation speed	Low	0 - 700 rpm
	Normal	0 - 950 rpm
Full-load vibration level		12.1 m/s
Brushless motor		Yes
Quick change chuck		Yes
User Vibration Protection		Yes
Low Vibration Handle		Yes
Anti-kickback (RFC)		Yes
Auto-stop		Yes
LED level		Yes
Dimensions with BSL36A18 (L x W x H)		389 x 91 x 232 mm
Weight		3.4 kg

#### Characteristics

- High performance of 3.2 J to drill holes up to 28 mm in concrete
- Three modes: rotary hammer, drill only or hammer only with selectable chisel position for optimum versatility
- Quick change between the SDS-plus drill bit holder and the drill chuck holder for efficient use of the rotary hammer for various applications
- Reactive Force Control (RFC) stops the motor when the drill bit is suddenly blocked to reduce twisting of the tool to prevent potential injury
- User Vibration Protection (UVP): minimizes vibration levels in all circumstances to increase operator comfort
- Low Vibration Handle (LVH) for optimal work comfort and grip
- Compatible with Cyclon Dust Extraction Unit with HEPA filter to keep your working environment as safe and clean as possible
- LED level indicates if tool is held straight to achieve precisely drilled holes
- Auto-stop: record and store drilling time for consistent depth of holes
- Soft-start control for comfortable drilling without slipping

#### Scope of delivery

DH3628DCW2Z: Stackable case HSC II

**Cyclon Dust Extraction Unit**  
379139 In cardboard box.  
379140 In stackable case HSC II.

Max. drilling diameter 20 mm  
Operating stroke 100 mm  
Weight 1.0 kg

<sup>1</sup> Standard accessories vary by country or area.
